IN THE NAME OF ALLĀH, THE MOST GRACIOUS, THE MOST MERCIFUL

وَٱلۡعَصۡرِ إِنَّ ٱلۡإِنسَٰنَ لَفِي خُسۡرٍ

إِلَّا ٱلَّذِينَ ءَامَنُواْ وَعَمِلُواْ ٱلصَّٰلِحَٰتِ وَتَوَاصَوۡاْ بِٱلۡحَقِّ وَتَوَاصَوۡاْ بِٱلصَّبۡرِ (سورہ العصر)

Dear beloved Muslims living in Kashmir and the subcontinent

As Salaam-u-alaikum WarahmatAllāhi Wabarakatahu!

On this auspicious occasion of Eid-ul-Fitr, I greet all the Muslims of Kashmir, the Subcontinent and the World,

May Allāh accept good deeds from you and us.

May Allāh forgive our sins, make Qur'an the light of our hearts, protect us from conspiracies of the enemies of Islam and grant victory to the Mujahideen. Ameen!

Praise be to Allāh that the Creator has bestowed us with the blessing of Islam and chosen this enlightened and pure path for our lives.

Allāh Almighty has all power and He turns night into day and He, The Dignified, sends rain from the heavens and by His will the system of the world is established and by His will the system of the world will end.

So all our efforts in this short life should be to spend our limited breaths and limited time worshiping the Creator. The path of prosperity and truth is that we spend our life and death, our desires and aspirations for the religion ordained by Allāh Almighty. If we succeed in this, then there will be good for us in this mortal world as well as in the eternal world, Allāh willing.

But if our life and death and our desires and aspirations are for a system other than the system prescribed by Allāh, then our life, our death, our coming into this mortal world and our journey to the eternal world will all be lost.

Beloved believers! Today another Ramadan has passed in our lives and once again the blessed day of Eid is refreshing before us the memory of our martyrs who have fulfilled their promise to Allāh .

Those esteemed companions who proved with their life and death that the purpose of this Jihad is purely to establish Shariah or attain martyrdom. They, who proved that if one trusts in Allāh, the most high, then help is not far off. Those who did not give up hope of a bright morning even in the darkest nights and those who, when they saw death in front of them said Alhamdulillah.

Respected brothers!

Today the Jihad of Kashmir has reached a stage about which Ansar Ghazwatul Hind has always warned you about.

Today, this great Jihadi front is being trampled on once again and the culprit is the one who along with the infidels has suppressed the jugular vein of this Jihad and has once again declared a ceasefire on the borders of Kashmir.

These treacherous Generals and politicians had long ago given up the fight against Kufr, but recently by agreeing to a ceasefire with the Hindu government of India, they have once again openly attacked the Kashmiri Jihad.

The blood of those innocent Mujahideen is a debt on Pakistani generals who have moved on, burying the past and their followers in Kashmir, whom they have exposed to swords of disbelief in the name of Islam only to fulfill their political and economic interests.

Ansar Ghazwatul Hind always tried to aware the nation about conspiracies of these traitors of this De'en. Their followers always came up with various artifices in their defense and sometimes used to given title of Madina Thani(Second Madina) to this idol and sometimes in the name of global politics used to clean their embarrassing slate.

But silence on this issue is criminal now as many sincere Mujahideen have risked their lives and death for this deception.

I would like to say to those Mujahideen companions who are in various organizations that you all know the purpose of Jihad is to uphold the system prescribed by Allāh and the purpose of Jihad in Kashmir is to be free from Hindu polytheist state of India and to establish the system of Allāh.

If the purpose of the Jihad of any of us is even slightly different from this, then it is beyond the conditions of acceptance. And if the purpose of the Jihad of any of us is to join a false or Pharaonic system, then it in no case can be called Jihad.

So be careful. If your Ameer asks you to die for the sake of other than Allāh, then you are free from obedience to such Ameer and also keep in mind that we will be held accountable for our deeds. No Ameer's intercession or cunningness will be of any benefit.

The only purpose of again informing all of you today is that this Jihad has become so weak now even after sacrifices, but under these forces of falsehood. We are the soldiers of Allāh, but have become a pawn for falsehood. Falsehood uses and silences our power whenever it wants.

Showing false support and leaving an entire nation alone on the battlefield for the sake of interests of falsehood is a crime that has no precedence. It is a painful joke with this nation when you warm up the (Jihadi) front for a year and then retreat for many years. Trampling on the interests of this jihad and pursuing the interests of falsehood is a

betrayal to this Jihad. In this whole affair you are using the lives of sincere Mujahideen and the Kashmiri nation's selfless love for the sake of Islam.

My dear Mujahideen brothers fighting on the Kashmir front!

Now is the decisive time! Today this Jihad is being traded and your heads are being valued so that the country of falsehood which used to consider itself benefactor of Jihad, can strengthen its trade relations with India. You have to decide today and if you still fail to decide then of course we are all at loss.

The conditions for acceptance of Jihad are clear and it is against these conditions to keep one's Jihad under falsehood. No argument and no wisdom will work if our Jihad continues to change color at the behest of falsehood.

Today, Kashmir has been turned into a prison. On one side, Indian forces are up against us and on the other, Indian and Pakistani troops are patrolling our borders together.

Dear Mujahideen brothers! It is not a sign of a believer to be a fool and lose life for the sake of falsehood. Rather sign of a believer is to hold fast to the rope of Allāh even in the most difficult times. In these years, thousands of simple hearted believing youth of Kashmir have challenged the Hindu infidels with stones and small arms, but again the

fruits of the martyrdom of these young men have been squandered for the benefit of others.

We ask Allāh that may He prepare this humble nation for the victory of Islam just like He has always helped those who were patient in every era and granted blessed victories to those who were on the path of truth. Ameen!

On this occasion I would also say to the beloved brothers living in Pakistan that Jihad of Kashmir is calling you. Respond to the command of Allāh Almighty and trample the orders of falsehood under your feet and turn to Kashmir for the help of your oppressed brothers and sisters. Remember, it is both a duty and a debt on you.

My dear brothers of Kashmir. At a time when the occupation of Kashmir by the Hindu government of India is getting stronger day by day and the so-called sympathizer is also helping India in this project, it is a test of our pride and faith that we trust on Allāh alone to make the blessed Jihad of Kashmir stand on its own feet Allāh willing.

The aim of India's recent aggression in Kashmir is to uproot the Jihadi movement of Muslims in Kashmir and to dampen the spirit of religion and resistance of this nation forever. In such situation where Jihad is mandatory upon us, its preparation is also mandatory upon us. Allāh says in Quran:

وَأَعِدُّوا۟ لَهُم مَّا ٱسْتَطَعْتُم مِّن قُوَّةٍ وَمِن رِّبَاطِ ٱلْخَيْلِ تُرْهِبُونَ بِهِۦ عَدُوَّ ٱللَّهِ وَعَدُوَّكُمْ وَءَاخَرِينَ مِن دُونِهِمْ لَا تَعْلَمُونَهُمُ ٱللَّهُ يَعْلَمُهُمْ ۚ وَمَا تُنفِقُوا۟ مِن شَىْءٍ فِى سَبِيلِ ٱللَّهِ يُوَفَّ إِلَيْكُمْ وَأَنتُمْ لَا تُظْلَمُونَ {سورة الأنفال : ٦٠}

(And prepare against them whatever you are able of power and of steeds of war by which you may terrify the enemy of Allāh and your enemy and others besides them whom you do not know [but] whom Allāh knows. And whatever you spend in the cause of Allāh will be fully repaid to you, and you will not be wronged.)

Let me also make it clear here that we should not rely on any treacherous country or false government at all for this preparation, but we should rely on Allāh alone and the strength of one's own arms. Allāh Almighty is the Sovereign and He knows how to give help and support. He is able to defeat Goliath by Tal'ut.

Keep it in mind that the freedom of Kashmir and the destruction of Indian Hindu state is only possible through Jihad as prescribed in Shari'ah. The sons of the ummah from Arabs and non-Arabs will come like birds to help their Kashmiri brothers and sisters, Allāh willing .

In all this you should not forget your religious duty and spend everything in preparation. When we will make the preparation and strengthen our connection with Allāh, then the Help and support of Badr will surely come Allāh Willing.

On this occasion, I congratulate the honorable Muslims of Bangladesh who have recently raised their voices against Modi, the leader of the infidels , and also offer my condolences that you have shed your precious blood on the streets of Dhaka to set a high example of Islamic brotherhood and clarified it to Modi and his country that the believers of the subcontinent will not rest until they destroy the Hindu state of India and bring the spring of Islamic system. This faithful passion of yours will grant victory to the Muslims from Kashmir to Dhaka and Burma and Kabul to Delhi, against oppression and kufr by the permission of Allāh.

It's my request to the the supporters and companions of Ansar Ghazwatul Hind that continue this dawah of Islam every moment. All of you have to do put in a lot of effort so that this call of Shari'ah or Shahadah reachs every house of Kashmir and settles in everyone's heart. For us our dawah is an important part of our Jihad. In coming times its important that every person is sure about the reality and truthfulness of this mission.

Also remember that Ansar Ghazwatul Hind is not only the name of an organisation rather it's a methodology and a movement. It's a journey which has different aspects and it's a part of your individual and social life. Alhamdulillāh today an army of companions from every corner of Kashmir is lined up with us aspires to come on the frontlines. Those companions who are on frontlines and those who wish to be on frontline, are instructed to intensify the work of da'wah because in it lies the success of the coming times.

Respected companions!

The time has come that we fully get ready for this Jihad in our individual and social life. Keep secrecy in every matter and be obedient in every matter. In the journey of Shari'ah or Shahadah, secrecy and obedience are two paths that can take this great Jihadi nation to the door of victory. Therefore prepare yourself and prepare others as well. There is a lot of work to do and we are short of time.

May Allāh put barakah in our time and grant steadfastness to our hearts. We ask Allāh to open the doors of help for us as He did for the past and present Jihadi nations.

We pray to Allāh Almighty to protect the oppressed Muslims living in India who are going through a very helpless situation. May Allāh Almighty help the believers in Pakistan and establish Islam on this land.

We pray to Allāh that may He help us against the hindu polytheist enemies like He destroyed the army of elephants. Every one of our martyred companions has fought against the Hindu polytheists to the last drop of blood and to the last breath. May Allāh grant us the same death so that the wounds on our bodies and our blood red faces may bear witness for us in the Hereafter.

Ameen!

I request all of you to remember me in your prayers and that I may get a chance to fulfill my promise. May Allāh Almighty help you all to dedicate your life for the true religion and accept your worship! Ameen O Lord of the Worlds.

All our praise belongs to Allāh, the Lord of the worlds
